

Business Europe **5G**

ALL-IN-ONE mobile plans on Luxembourg's leading mobile network, for business customers in Luxembourg, Europe, the USA.

deep.eu

deep

BusinessEurope is a range of mobile plans for businesses, including calls, sms and mobile data in Luxembourg, Europe*, the USA*, and so much more!

With BusinessEurope, you can offer your business and your staff a straightforward plan, specially designed to meet their needs, with no nasty surprises on the bill:

ALL-IN-ONE

- A package including calls, sms and 5G mobile data

SIMPLE AND PRACTICAL

- Unlimited calls and texts for your domestic communications, as well as calls and sms to Europe, the USA and Canada, plus unlimited data and very competitive rates for the rest of the world
- Up to 110GB in Europe, the USA, with no restrictions
- A plan compatible with ControlCenter, the secure 24/7 web application for analysing your mobile fleet, your usage and expenditure by country and/or by user
- Low latency and internet speeds of up to 1.5 Gbps
- Plans that take advantage of the 5G network at no extra cost on Luxembourg's No. 1 mobile network

INVOICING

- From the very first second and from the very first kilobyte

Simplicity

In Luxembourg, to and from Europe, the USA and Canada, use your call, sms and mobile data allowances whenever, however and wherever you like

Flexibility

Add options to your original plan as required: Fixed-rate plan, Phone Option, Assur+, Around the World, Extra Data, etc. Discount on smartphones.

Transparency

No hidden fees: your BusinessEurope mobile plan is billed by the second from the very first second and by the KB from the very first KB for mobile internet, in Luxembourg, Europe, the USA. 12-month contract without a handset, and up to 24 months with a handset.

GREAT DEAL

➤ PACK ADVANTAGE

With a Mobile BusinessEurope plan (starting from the M plan) + Business Pack, get up to 50 GB extra per month and a monthly discount on your mobile subscription!

THE PACKAGES¹

BUSINESSEUROPE

THE PACKAGE FOR PROFESSIONALS DOING BUSINESS AROUND THE WORLD!

This plan is ideal for professionals who travel frequently outside the EU and make international calls to the US and Canada: maximum convenience, with no data limits, all included in one package.

➤ Unlimited calls and sms, in Europe, the US and Canada

➤ 1 'Around the World' activation included each month to stay connected well beyond national borders

SOME REALLY INTERESTING OPTIONS!

➤ Fixed-rate package

Avoid unpleasant surprises on your bill and cap your plan and/or those of your staff with the CAP plan option. Once you've used up your allocated allowance, your calls are automatically blocked. Simple and effective!

€1.71
excl
VAT per month

➤ PHONE OPTION

Pay for your new mobile device in monthly instalments over 12, 24, 36 or 48 months, and walk away with a state-of-the-art smartphone at a lower cost.

➤ ASSUR+

By adding the Assur+ option to your BusinessEurope plan, you can enjoy comprehensive mobile insurance with no hidden costs in the event of loss, damage, breakdown or theft.

FROM
€2
excl. Vat
per month

➤ EXTRA VOLUME

Enjoy an extra 5 GB (€8.55) or 10 GB (€12.82) at full speed in Luxembourg, Europe and the US, whenever you like, so you never run out of data.

➤ 4G calls (VoLTE)

Make and receive calls in Luxembourg via the 4G network for ultra-high-definition quality, with instant call connection. There is no extra charge for using the 4G Calls option. Your calls will be deducted from your plan or charged at the standard out-of-plan rate.

➤ WiFi Calling

The solution for making or receiving calls when you're in an area with poor network coverage, such as inside a very remote building. You make calls as usual; there's no need to download an app to use the service.

AROUND THE WORLD

Calls/SMS and mobile internet options so you can travel with peace of mind. Don't limit yourself any longer!
